

Something for everyone!

Confirmed as one of the UK's finest beach resorts, Dawlish Warren is a haven for families. Distinctive sand dunes and an internationally recognised nature reserve add uniqueness to this European Blue Flag award winning beach, which entices families to enjoy either a time honoured seaside holiday or an idyllic day out beside the sea.

Activities and events

If it's peace and quiet you want, just walk along the beach and suddenly, you're on your own. A little piece of Devon all to yourself, perfect. If it's all the fun of the fair, razzmatazz, Punch and Judy, ice cream, fish and chips, amusement arcades, entertainers and fireworks, we've got that too.

There are many events organised throughout the year both at the Warren and in neighbouring Dawlish. These include:

- Local produce markets
- Car club gatherings
- Regular Steam Train passes - great venue for pics!
- Free family entertainment in the high season
- Dawlish Carnival week in August
- Dawlish Air Show
- Firework spectacular
- Guided walks at the Nature reserve
- Art Festivals
- Open Air Market & Car Boot Sales (Summer)
- Dawlish Triathlon
